

SPICENSE UP
HAUTE HANDCRAFTED SOAPS

WE BRING YOU **THE FUTURE OF HAUTE HANDCRAFTED SOAPS**

Our Company entered the Soap-Making Market 20 years ago and the central principle of our soap production is to take soap-making to the next level with amazing scents, unique ingredients and elegant designs.

We make our soaps only with the highest quality ingredients, luxurious scented oils, organic herbs and natural colorings. And we handcraft each soap as a small present, thanks to the exciting and stylish designs, making it a pleasure to use, gift or just to look at.

HIGH QUALITY INGREDIENTS

We use high quality ingredients including luxurious scented oils, organic herbs and natural colors.

Avocado Oil

rich in vitamin E, actively moisturizes and protects the skin from harmful environmental elements.

Cocoa Butter

maintains the optimum moisture balance of the skin and helps improve its overall tone and elasticity.

Shea Butter

has a strong regenerative and restorative properties, it perfectly moisturizes the skin.

Olive Oil

softens skin and attracts external moisture to your skin. It helps keep your skin soft, supple and younger looking.

Jojoba Oil

highly moisturizing, the oil is known to assist in removing excess oil, leaving the skin looking great, with reduced shine.

Rosehip Oil

protects the skin and helps with natural skin rejuvenation because it contains antioxidant vitamins E, C, D and B-carotene.

Argan Oil

high linoleic acid content helps reduce skin blemishes and promote high nourishment.

Almond Oil

is rich in vitamin E, which enhances skin hydration for softer and smoother skin with a beautiful aura.

Coconut Oil

is a great moisturizer. The oil is also known to help clean the complexion and soothe the skin, giving it glowing and even-toned look.

NATURAL BEAUTY

We add to our soaps only real natural herbal extracts to provide the best care for your skin

Lavender

extract has soothing, sedative properties and also has the ability to cleanse and remove toxins.

Green Tea

contains a high amount of antioxidants as well as enzymes, amino acids, B vitamins and caffeine known to improve skin complexion, flush out toxins from the skin, eliminate blemishes and improves the skin's elasticity.

Eucalyptus Oil

perfectly restores damaged skin, helps cleanse it from impurities and successfully fights against skin blemishes.

Grape Seed Oil

powerful antioxidant that has rejuvenating and anti-aging properties.

Strawberry

authentic, juicy, sweet, the strawberry is rich in antioxidants, which work to rejuvenate the skin and bring a unique natural shine to the complexion.

Vanilla

is rich in antioxidants and is a good source of vitamins, which play an important role in the maintenance of healthy-looking skin.

Chamomile

hydrates and nourishes the skin. Soothes and smooths for a lovely relaxed sensation.

Rose Oil

iconic flower, which provides beauty wonders for the skin. Contains high amounts of vitamin C, a powerful antioxidant. Helps lock moisture into the skin, keeping skin feeling smooth.

Orange

stimulates and rejuvenates. Everyday usage of orange extract visibly brightens your skin and fights pigmentation.

Lemongrass

helps moisturize the skin, removes impurities and energizes.

Chocolate

cocoa beans from the cacao tree, deliver a bounty of antioxidants and phytonutrients to smooth and hydrate your skin.

Crafted Crystal Soap Stone

Nothing can be compared to Mother Nature's gem stones, except for our handcrafted earth elements stones. These are not regular soap bars, these are amulets. All our soap stones have invigorating aromas that will stay with you for long.

This great collection of stones looks different after each use and it is looking similar to a real natural gemstone.

These soaps are like jewelry, a conversation-piece really, that fills the living room with an uplifting scent.
